INVALIDS, READ AND JUDGE FOR YOURSELVES. JULES HAUEL, Esq., the well known perfumer, of Chestnat Street, Philadelphia, whose choice products are found at almost every tollet, says:

"I am happy to say of your Carnastic Pills, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"Da. J. C. Ayra — Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Billous headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which care: and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:

"Pa. R. R. Office, Philadelphia, Dec. 13, 1853.

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your Cathartic Pills in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of discases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Petteral as the best Cough medicine in the world; and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"Da. J. C. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my tyes, and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly baid all my days; sometimes it came out in my face, and kept it for menths a raw sore "About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Your Pitls have cured me from a bilious attack which
arose from derangement of the Laver, which had become
very serious. I had failed of any relief by my Physician,
and from every remedy I could try; but a few doses of
your Pills have completely restored me to health. I have
given them to my children for worms, with the best effects. They were promptly cured. I recommended them
to a friend for costiveness, which had troubled him for
months; he told me in a few days they had cured bile. months; he told me in a few days they had cured him. You make the best medicine in the world; and I am free

You make the beat medicine in the world; and I am free to say so."

"New Orleans, 5th April, 1854.

"Bir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and dangerous cough, by your CHERRY PACTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the linfla-enza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed, this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

Aver — Honored Sir: I have made a thor ough trial of the Carmante Pills, left me by your agent, and have been cured by them of the dreadful Rhesimatian under which be found me suffering. The first duse relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Catharic Pills. Yours with great respect, LUCIUS B. METCALF."

This preparation is getting into use all over our country. The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best, Cough Medicine now before the public. It almost Cough Aledicine now before the public. It almost invariably relieves, and not unfrequently cures the very worst cases. When all other Cough preparacians have failed, this has relieved the patient, as Drogrists, dealers in Medicines, and Physicians, can testify.
